EluPura and EluPura Original

Two beautiful toilet lines

Our EluPura and EluPura Original ranges offer the perfect toilets and bidets for unique bathroom styles and interiors. Both are available in two design languages: round (S) and softsquare (Q). Their rimless design makes them less susceptible to germs compared to standard toilets.

EluPura

Elegant, high-quality and stylish in every detail

These toilets and bidets round off the modern bathroom and please discerning design fans. The hidden wall mounting creates a seamless appearance perfect for rooms with a minimalist design.

There is also the option to give all hansgrohe toilets a further upgrade, with comfort features such as SoftClose and QuickRelease as well as special glazes to make the toilet even more hygienic (turn to the next page for an overview).

hansgrohe toilets can achieve amazing results of just 4.5 l of water per flush (suitable flush tank required). A short flush when pressing the small button can even manage with as little as 3 l.

Long-lasting joy with our products
In addition to the legal warranty, hansgrohe offers a voluntary manufacturer's guarantee of 20 years on selected ceramics.

Find out more about the manufacturer's guarantee.

EluPura Original

Price-conscious and perfect for every room concept
The range includes toilets and bidets for wall-mounted installation as well as floor-standing models. There are also urinals with different solutions for the water supply and accessories such as seats, lids, flushing tanks and urinal dividers. We make these ceramics in the softsquare design with rounded corners and in the geometric, round design for more harmony in the bathroom. The attachment is openly accessible to make installation easy.

EluPura: comfort and hygiene features

SoftClose
WC seat and cover close gently and silently – thanks to dampers integrated into the hinges.

Quick Release
This hinge system is easy to release. For a quick removal of the toilet seat and easy cleaning.

SmartClean
High-quality glaze that prevents dirt particles from adhering to the product. For more hygiene and less cleaning effort.

HygieneEffect
High-quality glaze that can reduce bacteria on the product (test conducted according to JIS Z 2801:2010).

hansgrohe flush technologies

Powerful, low-noise, efficient

AquaHelix Flush

This sophisticated water vortex technology cleans the toilet's inner bowl powerfully and quietly.

AquaFall Flush

Powerful cleaning of the inner bowl of the rimless toilet via a symmetrical surge of water.

AquaChannel Flush

Effective cleaning of the inner bowl activated by powerfully guided water jets.
