

Straight support bar to be fixed to the wall with 2 anchor points. Length 600 mm. Stainless steel. polished finish

Description

- Straight support bar to be fixed to the wall.
- Suitable for support in washbasins, wc-bidet, showers and bathtubs.
- Designed for toilets adapted for people with reduced mobility.
- Bacteriostatic stainless steel gloss finish.
- Also available in satin finish (NOFER 15054.60.S), matt black (NOFER 15054.60.N) and white (NOFER 15054.60.W).

Technical characteristics

Material: AISI 304 stainless steel

Finishing: polished

Bar diameter: Ø32 mm

Bar thickness: 1.5 mm

Length between support centers: 600 mm

Wall separation: 38 mm

Recommended installation height: 70-75 cm from floor to bar.

Maintenance

Stainless steel requires maintenance as dirt over time can damage the chromium (Cr) contained in stainless steel. We recommend a monthly cleaning with a specialized product for stainless steel.

Suggested text for prescription

NOFER fixed support bar made of AISI 304 stainless steel with glossy finish. Length between support centers: 600 mm. Bar Ø 32 x 1.5 mm.
